Free Paper Minis

Seven characters, a troll encounter
and a character sheet

What's inside

- The party, two of each: Dame Ysolwen, Hagrun, Tavrin, Dr. Ash, Maelis and Ser Wren (Medium, 1-inch bases).
- An encounter: six swamp trolls, numbered 1 to 6.
- Two Large minis (2-inch bases): Aurivel the winged warrior, and Dame Ysolwen.
- Four minis on round bases (Dame Ysolwen, Hagrun, Dr. Ash, Maelis), each with its printed 25 mm disc.
- Dame Ysolwen's character sheet for fifth edition (5E), with her portrait, on the last page.

How to print

- Print at 100% / Actual size, not "Fit to page", and check that the test square on page 3 measures 1 inch.
- Use white cardstock, 200-300 gsm (about 75-110 lb cover). The character sheet prints on plain paper.
- The lines on each mini: solid grey, cut; dashed, fold the tab toward its picture; dash-dot, fold the flap under; dotted line with scissors: snip.
- Fold on the middle line, pictures out, and glue the figure together. Fold-out and round bases: snip the dotted line under the feet and fold the two tabs out, one toward each picture. Fold-out bases: tuck each flap under its tab (no glue).
- Round bases: glue the mini's tabs to its printed disc, or to a coin or a 25 mm wargame base.

Make your own

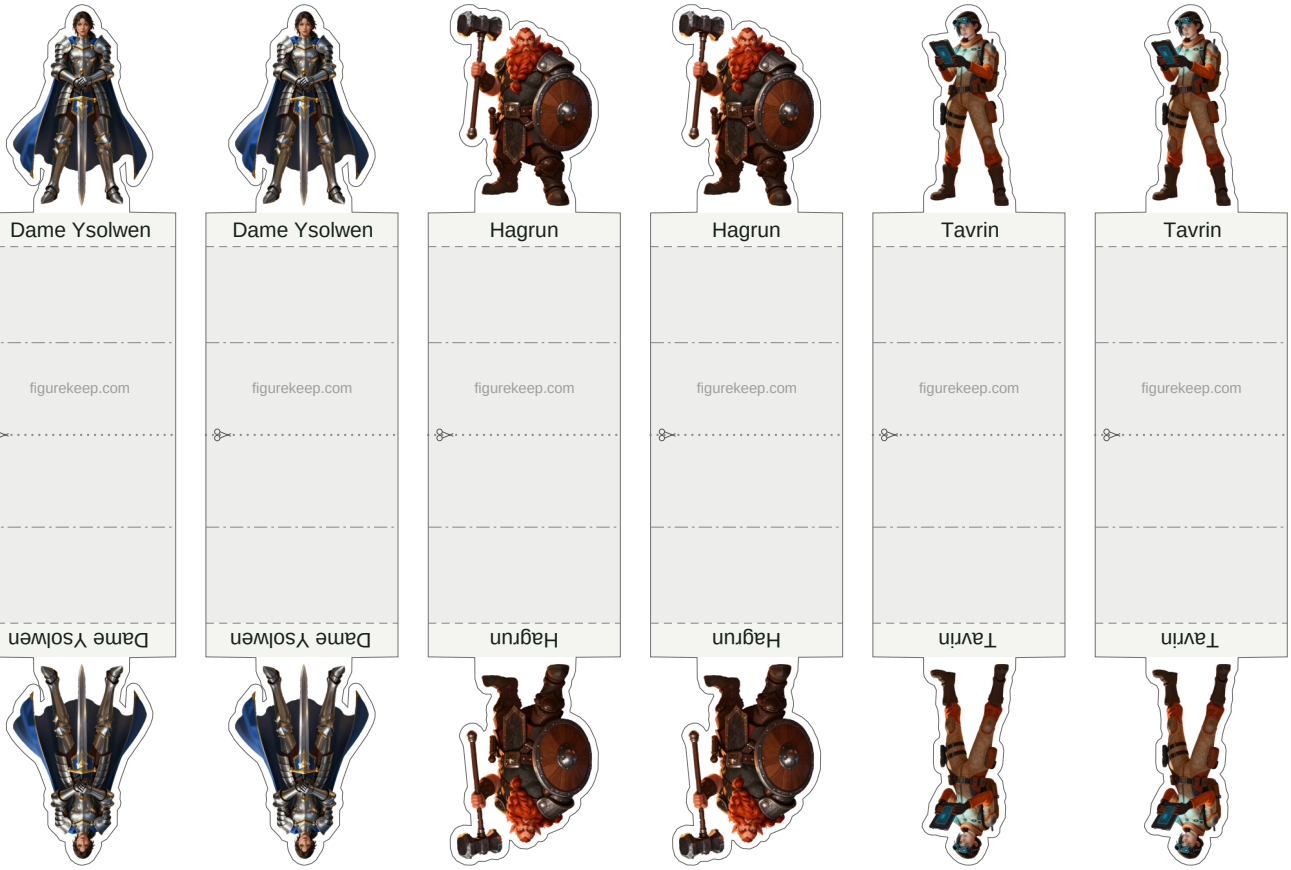

- Every mini here was made in Figurekeep from a single picture. Turn your own character's art into a mini at figurekeep.com: free to try, no sign-up, and your art never leaves your device.

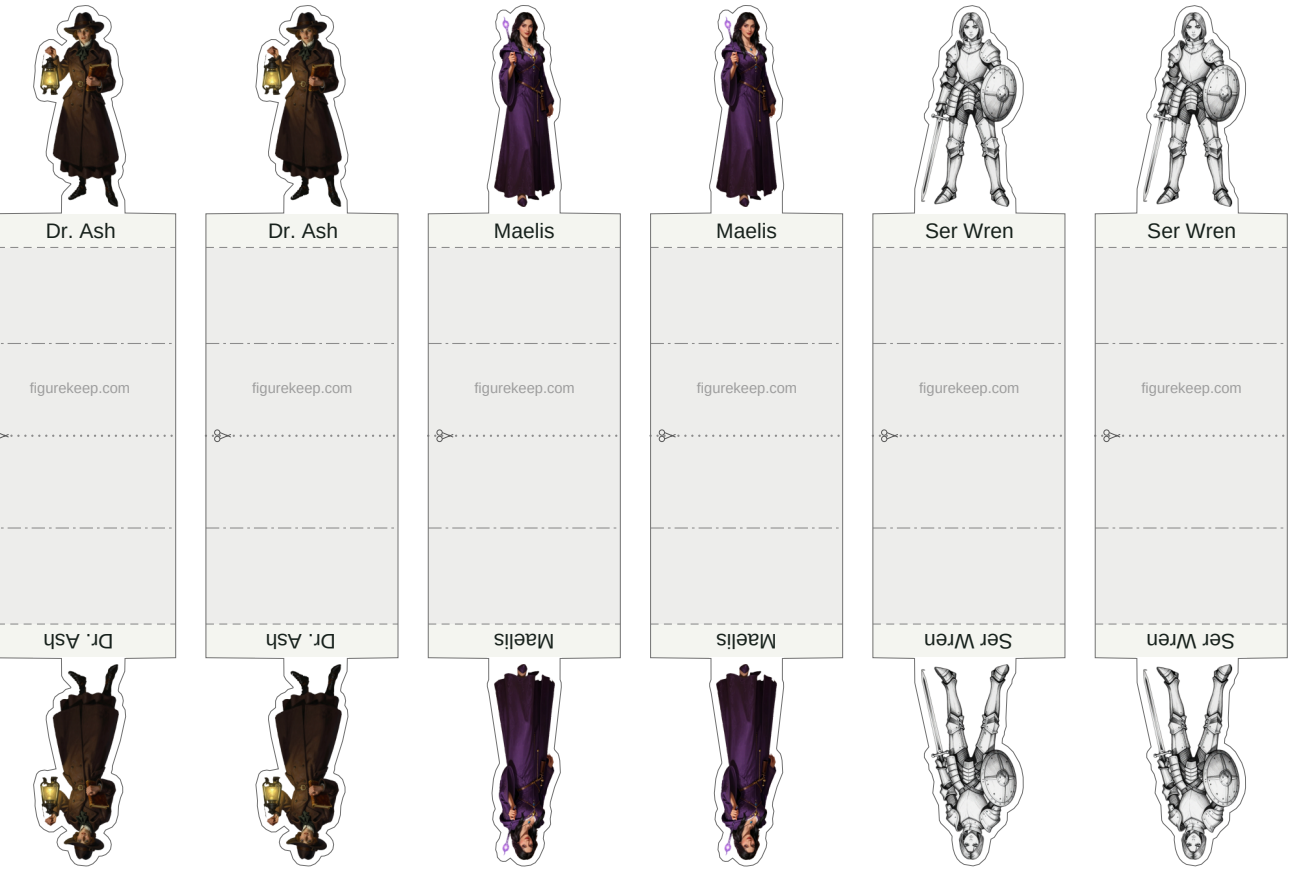

About the art, and using this pack

- Original characters made for Figurekeep with an AI image model (Z-Image Turbo, Apache 2.0), then cut out and laid out in the Figurekeep app.
- Free for personal use: print as many copies as you like for your own games, including games you run for pay. Please don't sell these files or upload them elsewhere; share figurekeep.com instead.
- The character sheet includes material from the System Reference Document 5.2 (CC BY 4.0): the full credit is at the foot of this page.
